

Küttner Group acquires majority of shares of CTU - Conzepte Technik Umwelt AG

In June 2009 Küttner Group acquired the majority of shares of CTU-Conzepte Technik Umwelt AG (Winterthur, CH). CTU – Conzepte Technik Umwelt AG will continue working independently under their own name in their technology segments.

Both companies will broaden and merge their technological and geographical basis and expect synergies in the field of environmental and energy related technologies which will allow providing customers even better and more specific solutions.

CTU-Conzepte Technik Umwelt AG is operating with 45 employees in 3 countries as turn-key contractor for the design and construction of plants for the treatment of hazardous waste, for air pollution control, recovery of valuable materials, anaerobic digestion of bio waste and power production from wood using gasification.
